Madison, Wisconsin -- Stephen P. Sinnott, Acting United States Attorney for the Western District of Wisconsin, announced that Michael Bohman, D.O.B. 4/11/75, of Irma, Wisconsin, was sentenced on April 21, 2005, by U.S. District Judge Barbara B. Crabb to 121 months in federal prison for manufacturing methamphetamine. Bohman pleaded guilty to this charge on February 23, 2005.

On June 11, 2004, law enforcement officers executed a search warrant at Bohman's residence in Irma, Wisconsin. Found in the residence were ingredients used to manufacture methamphetamine, equipment used in the production of methamphetamine, and approximately 70 grams of methamphetamine.

Acting United States Attorney Stephen P. Sinnott praised law enforcement efforts in investigating the manufacture of methamphetamine in Marathon and Lincoln counties.

The charge against Bohman was the result of an investigation conducted by the Wisconsin Department of Justice, Division of Criminal Investigation-Narcotics Bureau, the Lincoln County Sheriff's Department, and the Merrill Police Department.

Prosecution of the case has been handled by Assistant U.S. Attorney David J. Reinhard.
